RAIN FALLS AT LOUISVILLE

CHANGED TRACK CONDITIONS GIVE MUD RUNNERS CHANCE AT DOUGLAS PARK.

Manager Mack Is Victorious in Long-Distance Race That Serves as a Preliminary to the Louisville Cup Contest of Saturday Next.

Louisville, Ky., September 29.—A hard rain during the night changed track conditions at Douglas Park today and gave the mud runners an opportunity. The threatening weather and the counter attraction of the Percy Centennial opening ceremonies in town, did not attract the attendance to any great extent. The regulars were on hand in full force. The betting was again light in the early part of the day, but picked up considerably as the afternoon progressed. The sort state of the going did not militate against the sport, for the finishers were in most instances with the races well contested from start to finish. The handicap at one mile and a sixteenth, which was carded as the fourth race, and the mile and a half race served as features of the afternoon. In the mile and a half race, Conish Puss and Gavel were withdrawn, leaving five to go. All the starters are eligible to the Louisville Cup race of two miles to be run on the closing day at Douglas Park and today's race served in the nature of a preliminary to it. Any but the first race, and finished second to Manager Mack, which he won by almost two lengths at the finish, with Milton B. third. Any Port was a distant trailer for the first mile, but closed an immense gap thereafter and was going fastest of all at the end.

The veteran High Private suffered decisive defeat in the handicap by Morrishown, Steeth and Ymir. High Private was thought to have going that would serve him well and received staunch support. Morrishown, which also is particularly partial to soft going, was rushed into a long lead at once, disposed of High Private in the first quarter and had enough in reserve to withstand Steeth's stretch challenge. The latter appeared well beaten in the first half, but insisted and would have won at a longer distance. Ymir also showed an improved performance in minding as close to the leaders as he did.

Good handling that Kough gave Winning Which in the closing stretch, helped him to a victory over Cream and Sam Hirsch. The latter was probably best, but lost considerable ground soon after the start by being bumped. Kough also was responsible for Bellevue's victory in the second race when he started the MacManis youngster close to the other rail on the last turn, which move saved him much ground and enabled him to dispose of Lander for the purse in a hard drive.

George J. Long's Thaka graduated from the middle class, the leading flash when she got up to beat Christmas Eve, Marty Lou, the favorite, called badly in the stretch and allowed Isabelle Valle to take third money.

Criseo was an overwhelming choice for the third race, but brought up far in the rear, due mostly to the interference from which he suffered. The winner turned up in basket, with Mrs. Gump beating Vreeland for second money.

Gowell was excused from starting in the mile and a half race on account of an ailing ankle, said to be due to interference encountered in her last start. Jockey C. Turner had to cancel his riding engagements after the second race on account of injury to his eyes, caused by flying mud while riding Waukegan.

Frederick Johnson's Cock o' the Walk arrived in good condition this morning from Havre de Grace, Trainer J. P. Mayberry and jockey Glass came along with the horse. W. O. Seilly and Charles Hughes were other arrivals from Havre de Grace.

E. J. O'Donnell arrived today from Toronto with the horses Requin and Emerald Gem. Jockey Gould also got in from Toronto.

Frank J. Bruen received word today from Charleston that the list of stakes to be offered there the coming winter are in the printers' hands and that the banks have distributed this week. The stakes close on October 27.

The two-horse combination, composed of Belle and basket, yielded \$145.45 for \$2, and Morrishown, Manager Mack and Winning Which, comprising the three horse play, yielded \$81.50 for \$2.

Jockey A. R. Steele had a falling spell as a result of over-exertion while riding. He fell in the morning on the boulevard leading to the track and was picked up by starter Cassidy, who conveyed him to the track in his automobile. He received prompt medical attention from the track physician, but was advised not to ride this afternoon.

M. J. Winn will arrive here on October 7, and Harry F. Bricegood, his assistant, probably will arrive at the Douglas several days previously. Both are now at Laurel, where they are shaping things up for the opening of racing there. Members of Manager Winn's efficient staff at Churchill Downs are getting everything in readiness for the meeting there and the plant will be complete to the minutest detail for the opening.

Jockey Borel has under consideration an offer from James Rowe to ride next season for the H. P. Whitney stable. He will in all probability do the riding for W. O. Yankee the coming winter, even if he does sign with the Whitney stable for next season.

Many creditable work-outs took place at Douglas Park Sunday, when the track was in good condition. Among the best were:

Amor—Mile in 1:14.
Bola—Three-quarters in 1:17.
Cantonment—Half mile in 1:05.
Curlin—Five-eighths in 1:07.
Deft—Three-quarters in 1:06.

World's Wonder—Mile in 1:48.

INNOVATIONS AT PIMLICO.

Maryland Jockey Club to Substitute Selling Handicaps for Ordinary Type of Selling Race.

Baltimore, Md., September 29.—The program book for the fall meeting of the Maryland Jockey Club at Pimlico, November 1 to 12, inclusive, has just been issued. In it the Maryland Jockey Club announces a new policy in respect to races with selling conditions in the following special notice to horsemen:

"It is the aim of the Maryland Jockey Club to frame conditions, for its races, that will promote the widest possible distribution of added money and purses among its patrons, and suggestions to this end will be gladly received and seriously considered. If submitted, in writing, to the secretary. While handicappers are only human, and therefore liable to error, nevertheless it must be conceded that, speaking generally, no conditions can be framed, which will bring horses together, upon fairer terms than those of a handicap, conscientiously made. Acting upon this belief, the Maryland Jockey Club has, so far as possible, eliminated from its book those forms of selling races which have given opportunity for some persons, by reason of their greater wealth, influence or other advantages, to successfully violate the correct principles governing such races; and in lieu thereof, offers its patrons a variety of Free Selling Handicaps, which, it is hoped, will afford equality of opportunity to all, and special advantages to none.

These free handicaps will close and the weights will be published, free of charge or obligation, on the part of those entering them, up to the time fixed by their conditions for declarations. Entries not then declared will each assume a liability of \$5, to be paid to the winner. If less than eight entries, by failing to declare, except the weights, the association reserves the right to declare the race off and substitute any other. If the race is not declared off, then each entry thereafter scratching, so as to leave less than seven starters, will become further liable for 5 percent of the added money, said 5 percent, to go to the horses placed second and third, in the proportions of 60 per cent, and 40 per cent, respectively.

The book also makes the following provision regarding scratches:

In all purse races entrance will be free, but \$5 will be charged to scratch, unless the scratches shall reduce the field to less than eight horses, in which event five percent of the purse shall be charged to scratches. In all races equal to the difference between eight and the actual number of starters. The horses to be charged with said five percent, shall be determined by the clerk of the scales by drawing lots, as between all the horses scratched on the sixth day. All the Purse races shall be divided between the second and third horses in the proportions of 60 per cent, and 40 per cent, respectively.

The feature events of the opening day at Pimlico will be the Bazaar Stakes for four-year-olds and upward and the Wicentee Purse for three-year-olds and upward. The Junior Steeplechase and Hotel Korian Purse will be contested for on the second day, while the third day will witness the running of the Walden Stakes Steeplechase, the cheap and owners' Handicap Steeplechase, the Steeplechase and Arlington Handicap will be run on Friday, November 7, with the Green Spring Valley Steeplechase and Glenmore Handicap the main features on the closing day of the first week's racing.

The second week of racing will start on Monday, November 10, with the Elbridge Handicap Steeplechase and Severn Handicap as special features. The ninth day's racing will witness the running of the Town Steeplechase, Inverell and New Howard Handicaps, while the meeting will be brought to a close with the Bowle Stakes, a consolation Steeplechase and the Jockey Club purse events as the chief attractions. The minimum purses will be \$500 and there will be many of greater values.

GOOD PROSPECT AT LAUREL.

Improvements Practically Completed for Meeting Scheduled to Open at Maryland Course Tomorrow.

Laurel, Md., September 29.—Favored by ideal weather during the past week, great strides have been made toward completion of the improvement of the racing plant of the Maryland State Fair, which is to open its doors to the public on Wednesday afternoon. Manager M. J. Winn had been doubtful if everything would be ready for the opening as scheduled, but with the aid of a force of 100 men he has made greater headway than was expected. The track has been pushed ahead regardless of cost and Laurel now has a real race course. Every building has been painted, while the fences have been coated with whitewash. In its new attire of green, with a white finish, and surrounded by a lavish collection of plants, the grandstands present a picturesque appearance. Manager Winn has lived up to every promise in the way of bettering the conditions.

The new jockeys' stand on the infield has been completed, only a few finishing touches are necessary to end work on the new jockeys' stand, which is without question the best in the state. Both buildings have a brick foundation. Work of beautifying the grounds to the front and sides of the grandstand is nearing the end.

Big fields are promised for the opening day—Wednesday—notwithstanding that Havre de Grace does not close until the day before the gates of the Laurel course are to be thrown open. The principal attraction on the opening day will be the Blue Point Selling Stakes for two-year-olds, and it will be a field of best-footed juveniles that will line up before starter Milton.

The track has faster at present than it has ever been and with a continuation of good weather it will be in great shape for the initial struggle. Horsemen are generally pleased with its condition. A number of the horses that passed up Havre de Grace have shown some fast work over it.

The jumps in the infield have been reconstructed and the steeplechase course has been gone over as thoroughly as possible. Applications for close to 1,000 stalls have been made and late comers will have to seek quarters at Benning. A special horse train will be run daily from Benning at the expense of the association before and after the races.

NOTES OF THE TURF.

At Mr. Scotland, September 29, H. P. Whitney's five-year-old bay gelding, Borrow, by Hamburg—Forget, and winner of the Middle Park Plate when a two-year-old, won the Ayr Gold Cup from eleven competitors. It was worth \$2,000 and the first considerable event falling to the stable since Harbounson and Meeting House won valuable races at Ascot.

The Toronto Globe of Saturday pays this tribute to starter A. B. Dale's ability: "Incidentally, it may be said that when Mr. Dale sends them away in the last today, he will have started 622 races in the Canadian circuit this season, with a record that has never been equaled for such a sequence of unflinching good work, and there is not a horseman on the circuit but will say that the starting was the best and most uniform that he ever knew."

ABSCONDER GOES WRONG AT LOUISVILLE.

Kentucky Endurance Stakes Candidate Falls Lame After Work-Out—Timely Gossip from Kentucky.

Louisville, Ky., September 29.—Sam Jackson, J. L. McGinnis' candidate for the Kentucky Endurance Stakes, the \$15,000 four-mile event to be decided at Churchill Downs on the opening day of the fall meeting of the New Louisville Jockey Club, on Wednesday, October 2, broke in a three-mile work-out at that track yesterday. He went the distance in 5:50, covering the first mile in 2:00, mile and a half in 3:05, mile and three-quarters in 3:34, two miles in 4:01, two miles and a quarter in 4:45, two miles and a half in 5:08, and the two miles and three-quarters in 5:23. He was not tired when he pulled up, but was a bit sore in the shoulder, which made him go to the stable a little lame in his right foreleg. It is said that this happens whenever he is worked hard and that he always comes out of such soreness quickly. Before the week is over he will be sent on another long journey at even a faster clip. It looks now as if he will surely be fit to go any distance by the time for the running of the rich stake is set.

Another eastern horse now here, Absconder, named for the big race by Jesse Williamson II., has gone wrong in training. On Saturday he pulled up lame in his right front leg and no effort has since been made to get him on his feet. He is now being nursed on the track again. W. H. Buckner, trainer of W. G. Yankee's stable, who has been looking after this son of Disguise for trainer James Fitzsimmons, who had the gelding in charge in the east, expressed himself as extremely doubtful as to getting Absconder to the post for the four-mile race. He said his lameness is of the sort which made it impossible to train a horse for a long distance race. Absconder is also engaged in the \$5,000 Louisville Cup, to be run at Douglas Park next Saturday, but his mishap at the Downs eliminates him from that race.

Mrs. L. A. Livingston will likely send Pandora in to fill her engagement in the Kentucky Endurance Stakes, which valuable and coveted race Soletia won in her colors last year in record time of 7:10. It has been supposed all along that Kingly would carry Mrs. Livingston's colors in the long distance race at Churchill Downs, but the Kentucky Cup was started by Pandora in the Ontario Jockey Club Cup, two miles and a quarter, at Toronto Saturday, with the result that the filly was beaten only a nose, leads to the general belief that this daughter of Boring Brook will fill the same place at the Downs this fall. The race in which Pandora was beaten at Toronto on Saturday was won last year by Soletia.

T. W. Flynn, owner of Beautiful, has arrived here to look after the mare's training for her long distance engagements. He is sweet on her chances in the Louisville Cup next Saturday at Douglas Park and in the Endurance Stakes at the Downs on October 8.

Trainer John Walter brought his horses in from Canada for George M. Hendrie, including the three-year-olds Great Britain, Ride Brigade and Lord Laure, and six two-year-olds, Tatler, which won at Douglas Park last spring, being among the late winners. Walters brought his yearlings with him, and Hendrie has quite a band of youngsters of that age this season. Some of these he purchased at the various public sales and others he raised in Tennessee and in Canada. The latter will be kept in the north for racing events for a Canadian-bred horse. Dr. G. M. Miller shipped Luther and Lulu here with the Hendrie horses. Trainer Walters will probably start Great Britain in one of the overnight races at Douglas Park this fall, and this season will be for his seasonings at the Downs.

L. V. Shipps, of Simmy Slope Farm, has sold to Callahan Bros. a half interest in two chestnut yearling fillies by The Scribe. One is out of Mary Greenwood, dam of Dyal, which ran second to Birch in the Kentucky Derby of 1912, while the other is out of Ruby Ray, dam of Arcene. Mr. Shipps has likely weanlings this season. Three are by Hastings and the other is by the young horse, Ferole. Two of the Hastings colts, one by Ferole and the other by the other of Miss Simplicity, by St. Blaise. There is also a Hastings filly out of Ruby Ray, by Bostington. The Ferole filly is out of Thibge, by Falcetto. Mr. Shipps mated his mare this season as follows: Ferole and Ruby Ray to Ballot; Miss Simplicity to Dyal; Mary Greenwood to Knight of the Thistle; Chival to Eyebrow and Fledy II. and Semi-Navarre to Mignone.

W. W. Darden, who bred the crack two-year-old, Hodge, tells how when Hodge was a yearling at his farm in Tennessee he also had a weanling sister to him and Little Father, and that one morning he got a long distance message to the effect that one of the youngsters had broken a leg and would have to be destroyed. So Little did he think then of Hodge that he admits that he hoped it was Hodge and not the filly that was injured. It turned out to be the filly and that explains why there is no Little Father breeding existing. Mr. Darden bred a yearling at Latonia without being shed, and in fact the colt never wore shoes or plates until he was healed at the Downs last spring. The best quarter he worked for Darden as a yearling was in 25, which was at Latonia last fall, when he looked like a pony than like a prospective sensational two-year-old. Darden is thinking of letting Ivan the Terrible, the sire of Hodge and Little Father, come to Kentucky to stand, where a horse of his quality would be a power element. He has only had four two-year-old representatives on the turf this season. Three of these have won and the other, Squire Bill, was nosed out in a race at Douglas Park last week and seems sure to win before the season is over. Ivan the Terrible, aside from his brilliant racing record and grand individuality, is a royally bred horse. He is a son of Pirate of Penzance, which sired his dam by Prince Charley, while his dam is by Raimure, his granddam, by Buckden and his great-granddam by Route Scotland.

W. W. Darden thinks he has this year the greatest weanling he has ever raised, though his breeding record in the last few seasons shows such performers as Little Father, Reciprocity and Hodge to the credit of his Tennessee farm. This youngster is by Ivan the Terrible, out of that famous race mare, Miss Crawford, by Tenny, and is the first foal ever dropped by this noted performer. The mare has had several chances to produce previous to this colt, but until last spring she was barren. She was mated again this season with Ivan the Terrible and Mr. Darden thinks she is with foal.

W. Reed, who trained Proctorian last spring, has now charge of W. J. Weber's stable, he having quartered at Churchill Downs the Texas-bred two-year-olds, Meshach and Abednego. Weber laid these youngsters up at Lexington after the Latonia summer meeting and spent most of the summer at his home in San Antonio, Tex.

J. H. Baker, who has returned to the turf as a trainer of a racing stable, after a retirement of several years, brought in from Lexington four horses and has the string quartered at Churchill Downs. The horses he has in charge are Flying Tom, Flying Frances, Beulah S., and Martha McKee.

Dr. P. Pann has gelded A. B. Speckels' Galar. The youngster will likely not be trained again until next winter, when Carroll will endeavor to get him ready for February and March racing at Julez.

F. J. Pons has announced that Annie Sellers will start in the Louisville Cup, two miles, next Saturday.

H. H. Emmons has announced that Rudolf is out of training for this year.

The owners of Sweep have decided to place his service fee at \$200 for next season.

PATRONAGE HAS BEEN GOOD

HAVRE DE GRACE MEETING SCHEDULED TO COME TO A CLOSE TODAY.

J. L. Holland Wins Another Stake with the Consistent Donald Macdonald—A Day of Formful Results.

Baltimore, Md., September 29.—Tomorrow the Harford Agriculture and Breeders' Association will complete the most successful meeting that it has yet held. The patronage has been liberal throughout and has exceeded expectations. It has been furnished in the main by amateurs of racing from New York, Philadelphia, Baltimore and Washington, although smaller places in this vicinity have been represented in growing numbers as the meeting progressed.

Gloomy and threatening weather this afternoon had the effect of keeping the attendance down. The card produced excellent racing, with several close finishes, while to make matters pleasant, the horses ran well to form and four favorites were returned winners. The chief event of the afternoon was the Cecil Selling Stakes and Donald Macdonald scored his third straight victory during the meeting by leading for the greater part of the way in it and winning easily. It was the fourth stake that J. L. Holland has won at Havre de Grace.

Jockey Johnny McTaggart met with a peculiar accident after riding Honey Bee to victory in the opening dash. After pulling his mount up on the turn, he started back to the judges' stand, and, while standing in the stirrups and galloping the filly back, she suddenly swerved. It came so unexpectedly that McTaggart was unseated and was knocked out for a time, but after being carried to the jockey's room an examination revealed the fact that his only injury was a slight bruise on the back. Hugh Penny, who has McTaggart in charge, decided not to permit him to do any more work during the remainder of the day and cancelled all of his remaining engagements.

Honey Bee was bid up after winning and it cost her owner, John Whalen, \$505 to retain her. The County Fair Association, to which the filly had been sold with Monty Fox, did the bidding. J. L. Holland, owner of Donald Macdonald, had to pay \$705 to retain him after his victory in the stake race.

It was learned today that Lucie Ann split his hind leg during the running of the second race on Saturday, which accounted for his poor showing. He may not be able to race again this year.

The November meeting at Havre de Grace will be conducted under the auspices of the Harford County Fair Association, to which the organization of the Harford Agriculture and Breeders' Association has leased its track. The Harford County Fair Association owns a half mile track at Belair. Phil Hyams claimed Silver Moon from the Oak Ridge Stable for \$700.

HOW THE ST. LEGER WAS RUN AND WON.

The usual preliminaries having been adjusted, the white flag was raised and the scheduled time for the race. Several of the jockeys anticipated the start, but the tapes having been repaired Mr. Willoughby dispatched the twelve competitors in an unbroken line. Serenod was the first to show in front, but he quickly faded. Future engagements followed by White Magic, Jameson, Curragh, Arda, Roseworthy, Agdhoe, Birrigham and Night Hawk. So they raced for a quarter of a mile, when Jameson went on second, clear of Curragh, Serenod, Arda, Roseworthy, White Magic, Birrigham, and Agdhoe, with Tasset bringing up the rear.

These positions underwent little alteration until seven furlongs had been covered, when Serenod went on third, in front of Bachelor's Wedding, Curragh, Arda, White Magic, Agdhoe and Tasset. Night Hawk now being tailed off. Shortly afterwards Serenod joined Lenois, which was beaten when entering the stretch, at which juncture Jameson struck into Curragh, which collided with Birrigham, and White Magic immediately went on second, clear of Agdhoe, Roseworthy, Arda, Tasset and Night Hawk. A quarter of a mile from home White Magic closed with Serenod and took up the running at the second and was promptly challenged by Night Hawk, which asserted his superiority in the last hundred yards and won by two lengths; three lengths between the second and third. Arda was a bad fourth, then came Tasset fifth, Birrigham sixth, Roseworthy seventh, Jameson eighth, Curragh ninth, Lenois tenth and Bachelor's Wedding last. Time, 3:38 1/2.

—second time—Roseworthy broke a blood vessel and Tasset pulled up very lame.
Night Hawk is a bay colt by Gallant out of Jean's Polly, the last named a half sister to Black Arrow and the dam Cherry Lass. He was bred by his owner, Col. Hall Walker. He did not run at two years of age, making his debut in the Hurst Plate at Hurst Park in May of this year, when he finished a moderate fourth to Fairy King. He then ran second in the Future engagements Stakes at Liverpool in July and was also runner-up to Birrigham in the Lenois Plate at Hurst Park in August. At Derby he ran third to Roseworthy and Lenois in the Brooders' St. Leger, receiving 15 pounds from each of them. Future engagements include the Liverpool, St. Leger, Ormonde Stakes at Newbury and Cesarewitch—London Sporting Life.

CESAREWITCH AND CAMBRIDGESHIRE.

Of the two great handicaps of the English autumn campaign, the Cesarewitch and the Cambridgeshire, the first named will be run at Newmarket October 15, while the Cambridgeshire will be decided at Epsom place October 25. Accrington to both were published September 11 and at once a strong future market was established on the Cesarewitch. This race had 101 entries, of which 38 did not accept weights, leaving 63 eligible to start. In the Cambridgeshire 63 entries, of which the weights allotted were accepted for 56. The Cesarewitch is a long distance affair for stayers at two miles and a quarter, while the Cambridgeshire is at the shorter distance of a mile and an eighth and is usually contested by horses with extreme speed.
Jackdaw at 128 pounds is highest of the Cesarewitch acceptances, but it has already been announced that he will not run. Following him in order the other high weights are Triplicate, 127, Catbird and Jockey, 126; Laurence, 124; Rivoli, 122; Loretta and the American horse Adam Bede, 121; but up to latest advice the popular fancy was for the light weights and middle weights instead of the foregoing big horses in the race. In the latest advice quotations Charles, 91, Fantasia, 4, 112, and Washing Day, 4, 100, were joint favorites at 100 to 7 each, while Mashud, 5, 57, was at 100 to 6. Night Hawk, 3, 109, and Suf, 5, 96, Wilfred, 4, 108, and Wags, 4, 112, were each quoted at 20 to 1, while it was 25 to 1 against Florist, 3, 104, Crown Jewel, 4, 102, and 100 to 3 against Annette, 4, 100. Doubtless there will be plentiful fluctuations before the race comes on for decision, but there has already been enough done to point to the heaviest Cesarewitch betting of recent years.

THIRTY LEADING AMERICAN JOCKEYS.

Winner—R. f. by Voches—Gasket (trained by J. Lowe).

Went to post at 3:26. At post 5 minutes. Start good and slow. Won easily; second and third driving.

GASKET was away forwardly and, having disposed of MRS. GAMP in the last eighth, drew away decisively. MRS. GAMP showed much speed and set the early pace fast, but tired after going five-eighths. VIRGELAND ran forwardly and was going fast at the end. COUNTERPART began slowly and, closing a gap, ran fairly well. CRISCO was away poorly.

Scratched—11652 Wintergreen, 106.
